Before beginning the assembly or construction of its stand, the exhibitor, or other company working on its behalf, must present detailed plans for prior approval. The stand must fulfil the regulations included in the Application for Participation form (see Conditions), as well as the Rules and Regulations for Setting-up and dismantling.

In this present form, all work to be undertaken must be clearly specified, and must comply with the sketch of the stand (obligatory requirement), which must also be presented to the organization of the trade fair for approval by the Technical Department at FERIA VALENCIA.

In addition, to use cover of general services and extensions of opening and closing times, decorators will be obliged to pay the detailed rates in the reverse, upon application for assembly passes.
